JEFFERSON

&

HOWARD

1862—

1863.

D.B.W.

Hospital Howard, April 22nd. 1862.
Eliz. Helferty Burst's court, 12th & Fitzwater
(Dr. Turner.) — Sarah McAlester, 21st
& Walnut, aged 25, Ireland, unmarried,
no courses for 2 months, - bath, (hot), Ex-
sulphates, guiacum, — Young child
picks her nose, dark under eyes, diph-
theroid, little appetite, soreness general,
red spots, seems to be general at present
high fever, Rx,
20 grs. Chlorat. Pot. Cinnamon water
Chlor tinct. ferri
Sweet spts nitre
teaspoonful every 4 hours. - Brandy & Milk,
good food, — Hannah McDonegal, aged
50, 5th & Baw-. (Rheumatism), Ireland,
some of solutes Rx, (Dr. Darrach.)
Fowler's Solution, 5-10, 4 times a day.
Sweetened water.

(stop[2] when pulse wiry, under eyes darkened, stomach irritated.) 1 — Woman, 35, married, intense pains, married to Frenchman, Rx

Pulver. Ipecac. ℈j.

2 charts, — in molasses, 1, = Ann Jane Cavin, No. 7 Church Avenue, 42, married, Ireland, whites, referred to Dr. Atkinson.] Jeff. Medical College April 23rd. 1862. — Irishman, aged 60 says fracture of thigh, Impaction may allow of walking for a while, 5/8 in. shortening, but this is from obliquation of pel-vis. Don't move readily (left leg) But what if movable easily under ether. Proves reflex power acted before, Limps moves with left leg, seems anchylosed. ex-isted for two months, whole hip moves when walking; not common in men of his age. But this has been chronic rheumatic arthritis, ulceration of cartilage, but iron might have helped at first, not of good now. Liniment

Rx Ammon Hyd ℥j. Camphor ℥ss.
Oil aa Laudanum ʒj.

Olei — ℥j} — Case of club-foot (Pancoast operating.) Bandage 4 days, walk with shoe in week or so, Only safe & sure way; — Case of incontinence of urine. He has pain over pubic bone, (some pass seton over this) No prostatic disease Bladder injected, tested for stone, Ribbed bladder rarely has stone, warm water, He has cystitis, spongy prostate, Can't find stone at present. R̷ Belladonna gr j suppository every night, } R̷ Dover's powder gr x But afterwards must examine urine, — Take hot lemonade. — Francis Royal aged 29, enlarged scrotum, left testicle swelled first of the two. Gonorrhoea 10 years ago, scrofulous system, some water in, tap, on sides, keep them as diverticula, treat system but don't make eunuch, from further talk, suspect syphilis, R̷ Ext. lead & laudan. Purge Coloc, } R̷ Iod. Pot { Ignatia Amara
Jalap. } Bichlor Merc. { Quinia
{ Iron,

Cases of Coxalgia in children, one in 3rd stage, leg anchylosed, abscess open-

ing: Such Cases have had resections, Practitioners Choose. — Another Case, Crease effaced, Curable, (12 mths, standing), Dr. Davis (of N.Y.) apperatus. Jennings', Take off reflex action, salt bath, good diet, quinine, leech at first. Physic was agst. setons &c. So Syme, Mott Contra. — Libbie Patcher, aged 20, tumor on neck, not thyroid, but lymphatics, had pleurisy last April, leech, blister, tonics, ointment, mercurial, may have to tap in some forms. Sarah Shreve, aged 7, thyroid asthma, wheeze, presses on oesophagus, but this may be thyroids. Goitre, (Scrofulous.) anti scrofulous treatment. Rx Calomel, Rhubarb, Ex. Dio. Carb. Soda.

Hom. Hosp. April 25th. (Dr. Turner). — Asthma. + urinary trouble,

Nit: Pot:
Sw. Spts. Nitre,
Cin. water,

That whining woman Suffering from neuralgia. Rx Three Sulphates, 1 tablespoonful every 4 hours.

Woman, 30, married, pain over stomach vomiting, Turner gave her Sulph Ether; Assaf. —

(Dr. Darrach), seems to be chronic, perhaps woman pregnant, uterine dyspepsia, no heroic treatment, Rx
